International Meetings Related to Regulatory Sciences		
1	Participants	Kojima, H.
	Name of meeting	OECD Expert Group Meeting on Corrosion/Skin irritation Assays
	Date and place of presentation	January 18th – 19th (2012), Helsinki, Finland
	Contents discussed	The meeting mainly discussed the revision of the guidelines of corrosion assays, No. 430 and 431, and the methods for their combination with alternative methods or other informations. We reported as representatives of Japan the additional results supporting the revision of the protocols involved in the test guideline No. 439 "Skin irritatin assays", for which we have been requiring the additional description about LabCyte EPI-MODL24, and tried to accerelate the agreement wirh experts from other countries.
